A Bakerfield Solution

Empower Your Team With Friendly Planful Expertise

Add an SME (and peace of mind) without adding headcount - all for an affordable monthly subscription

- Maximize your investment in Planful
- Add affordable & skilled **Planful Certified** resources to your team
- **“Phone a friend”**- Access your dedicated virtual expert when you need them
- **Guaranteed** quick response times
- **Minimize risk** from staff turnover - no need to replace Planful skills if someone leaves
- **Personalized end-user and admin training** conducted using your own environment
- Feel secure knowing that your Planful instance will be **professionally maintained** and ready for any new business requirements
- **No commitment required!**

Why Bakerfield Solutions?

- More **Planful-Certified** resources than any other Planful partner
- Our consultants come from Corporate FP&A, average over 16 years of experience, & include CPAs & MBAs
- Expertise from delivering 300+ successful Planful projects
